

# What is CMP?

- Matchmaking service for mathematically oriented projects in other departments/industry.
- Hosts submit projects (but you can find your own).
- Projects listed on website in early January.
- Some bursary support for academic projects.

# Lunchtime Seminar

- Mondays and Wednesdays 1-2 pm in Lent.
- Free lunch! (First come, first served.)
- Circa 6 speakers/seminar presenting potential CMP projects. Tea and discussion afterward.
- First seminar is Monday Jan 27.
- Sign up on website for email announcement of speakers

# Finding a Project

- Contact hosts directly
- Hosts decide
  - expected timeframe: early March
- Apply for bursaries on website (non-industrial)
- All projects: register your project on website

# Bursaries

- Largely supported by outside donors
- Application deadline: end of Lent
- Amount for this year still to be decided, but at least £250/week (8 weeks max)
- In return, we expect:
  - Presentation
  - Feedback

# Good Manners

- If you've been in touch with a host about a project and are no longer interested, **let the host know.**
- If you come to a lunchtime seminar, please stay if you can.
- If for some reason you must leave, try to do so between speakers.
- If you take up a CMP project, please let us know.

# CMP: Further Information

- Presentation day in August
- Projects listed on rolling basis starting 7 January
- Second round of bursary applications (early May)
- Contact: [CMP@maths.cam.ac.uk](mailto:CMP@maths.cam.ac.uk)
- Questions?
