The Life and Death of Galaxies (L24)

Vasily Belokurov

This course will provide the observational perspective on the evolution of galaxies and will complement the theoretical Part III course “Galaxy Formation”.

**Pre-requisites**

It is preferable (but not required) that you have attended “Galaxy Formation” course in M19.

**Literature**

2. Mo, H., van den Bosch, F., and White, S. *Galaxy Formation and Evolution* Cambridge University Press, 2010

**Additional support**

Three examples sheets will be provided and three associated examples classes will be given. There will be a one-hour revision class in the Easter Term.
