## University of Cambridge EPSRC Centre for Doctoral Training in Analysis First Year PhD Student External Project Proposal 2018-2019

### PROJECT TITLE

### ORGANISATION

### AIMS AND EXPECTATIONS

*Please state the overall aim of the project and what you would like the student to achieve.*

### REFERENCES AND RESOURCES

*Please supply literature references.*

*Please state whether the student will need access to additional resources such as corporate databases.*

### REQUIREMENTS

*Please state whether the student is required to have any specific skills to do the project e.g. programming.*

### NOTES AND SUBMISSION PROCESS

**Please return completed project proposals by close of play 19 October 2018 to:** Dr Stephanie North, Knowledge Transfer Facilitator, [sn468@cam.ac.uk](mailto:sn468@cam.ac.uk) and Tessa Blackman, the CCA Group Secretary, [cca@maths.cam.ac.uk](mailto:cca@maths.cam.ac.uk)

On completion in March 2019, the students will write a report of around 10 pages which will be assessed. Students are also required give a 20 minute presentation on their project to the cohort of CCA students, academic and industrial supervisors. In addition, we would appreciate feedback from the external supervisors on the outcome and any impact resulting from the project.

**Thank you for participating.**
